President's Message

Dear Rocky Mountain District!

I have loved going around and visiting the clubs. If I haven't come to your club, I will! If you would like me to come at a specific time please call me at (801) 836-3781, or email at scottpswain@gmail.com and request it. I am now bringing a very special gift to every club I visit. (Have me come back if I didn't give you your gift.)

We are looking forward to our District Convention April 30-May 2 at the Hotel Elegante in Colorado Springs, Colorado. Bob Miller and the Exchange Club of Falcon, Colorado will be hosting this very special convention. I want you to put this down on your calendar, and then plan it in your budget to attend. We will make it well worth your time and money. There will be meaningful and engaging training. There will be inspirational and entertaining presentations. There will be excellent activities. There will be lots of recognition and fun for everyone. There is nothing like a good convention to recharge the batteries and set our sights higher. Please come!

It is getting time to start interviewing students for the Student of the Year and ACE Awards. Our District has a reputation for national winners in these categories. In fact, did you know that our beloved Past President, Martin Gibson, is the brainchild of the ACE Award? It took him nearly eight years of tireless and dogged effort to make this a national program. Now he can look with great satisfaction as hundreds of less fortunate, yet deserving young people all over America are helped along with their goals to improve their situation in life and become a truly inspirational figure in our communities! WAY TO GO MARTIN!

Also, WAY TO GO DEB JACKSON for being the cub builder for the new Timpanogos Exchange Club of Orem, Utah. Their POM meeting was Tuesday, September 30. The Utah Valley Club has a special program of service in our community in which they raise money for victims of Multiple Sclerosis. They have a yearly basketball tournament to raise money for that. They are also very interested in Americanism and Prevention of Child Abuse projects. Our congratulations go to the Timpanogos Exchange Club!

And talking about growth, Bob Miller of Falcon, Colorado Club just keeps recruiting Exchangites! He recruited three more this month. I want him to teach us how he does it. He is a closer, but more importantly he believes in Exchange loves its programs of service. He is one mighty awesome Exchangite!

I want each of you to know how much I appreciate you. You are some of the best people on the planet, and it is evidenced by your commitment to making our communi-

ties better places and for accepting the divine privilege of single and collective responsibility as life's noblest gift.
WAY TO GO FELLOW EXCHANGITES!
 Sincerely,

District President

RVP Corner

I am excited to serve as your Region 4 Vice President. We are embarking on an exciting time in Exchange. We have just completed our first year of growth in 26 years. Throughout the nation there were 23 new clubs built during the 2013-14 year. Many of which are Excel clubs. It is wonderful that these young people want to participate in the philosophies and ideals of Exchange. They want to be part of us! How exciting is that?

The expansion of the Excel clubs should motivate and energize us to strengthen our traditional clubs to support, nurture and foster our youth clubs. It takes strong clubs to keep the youth clubs active and growing. Our goal is that these youth will eventually become members of our traditional clubs. This is great encouragement for Exchange.

Our National President, Tom Karnes, theme this year is Living Exchange: Investigating the Possibilities. He is implementing a program to encourage every member to bring in one member. It does not ask you to be a big recruiter, but to bring in one member. Just think of the possibilities if each Exchangite brought in a new member. Not only would Exchange double in size, we would have more members to help with our projects, we would make more friends and we would be helping our communities that much more.

Let's keep the momentum going!

Carolyn Geisert
 Region 4 Vice President

Our service projects are varied and are continuous throughout the year. Last year, we provided the following services: 8,000 Flags handed out at the Sandy 4th of July Parade, \$200.00 donation Fallen Hero's Memorial Foundation, \$250.00 donation Prevent Child Abuse Utah, National Day of Service... assembled birthing kits for UMAD (Youth Making A Difference) a youth service to less fortunate children in countries such as India. 60 kits put together, Honored Firefighter and Police Officer of the Year, Service to Seniors. Two projects at the Senior Center, Christmas Party with gifts presented to The Sandy Club — A Safe Place for Boys and Girls, Provided volunteers for the Salvation Army Bell Ringers, Two Young Citizenship recipients from The Sandy Club received a plaque and \$50.00 each, Six youth from Alta, Jordan and Hillcrest received plaques and \$150.00 each, Two A.C.E. Awards with plaques and \$300.00 each from

Valley High, two Youth of the Year and one ACE Youth of the Year received plaque and \$300.00 each, \$500.00 presented to The Sandy Club for child abuse prevention month, 192 pinwheels from Prevent Child Abuse Utah placed at four Sandy City Fire Stations and The Sizzler, \$300.00 presented to The Children's Justice Center, Book of Golden Deeds, \$300.00 presented to The Utah Food Bank, \$100.00 presented to the Sandy Police Honorary Colonels, Voices of Freedom Award presented to Patriot Guard, two business and two individuals presented Proudly We Hail for flying the Flag.

In 1984, the club membership chairman's mind had been pre-occupied with a problem that faces most clubs at one time or another — how to pull together the members to give them a better combined purpose. As he lay there thinking, an idea hit him: Why not tie a community service project that would utilize not only Exchange Club members, but other leaders of the community as well? Thus began The Sandy Exchange Club's largest community service project and fund raiser — Sandy Pride. Each year in May, The Sandy Pride program involves neighbors, businesses, school and church groups and scouts and Eagle projects who coordinate together to make Sandy a more beautiful place to live. Sandy City and local businesses provide the financing needed for the projects and devote time for cleaning up our community and celebrating pride in our city and neighborhoods.

This year, 30,000+ garbage bags were delivered to residents of Sandy City, water and donuts delivered to clean-up work sites, projects were coordinated and a tree and The Exchange Club plaque were provided to a Canyons District Elementary School. As a special Exchange Club project this year, Exchange Club members did a cleanup and bark spread as well as planting 6 trees on the Jordan River Parkway just south of the River Oaks Club House. A bench and large rock with the Exchange Club logo installed by the Club gives those enjoying the walk a chance to stop and reflect.

breathing space. KPC Kids Place Day Care can be a saving grace to parents who need affordable child care. They will care for children up to 72 hours if necessary, especially for kids who may live in stressful situations and even for some who are homeless. The Exchange Club of Falcon understands the importance of this caring organization. Each year during September, "National Baby Safety Month", their Child Abuse Prevention Committee, headed by Ursula Miller, seeks a way to assist this non-profit. This year they presented Director Tracy Hearne with large bags of needed items: 25 Baby On Board safety signs, a variety of boxed juices, crackers, electrical outlet covers and cabinet locks, plus 10 pair of children's sleep pants. A total donation of \$250 was spent for this worthy organization.

Parents can feel comfortable bringing their children to this facility, where they will be fed and loved. They, also, provide family advocates and educational programs, such as new parent classes. This much needed resource is located at 2503 Holiday Lane, Colorado Springs, CO 80909, (719) 634-5439

Union Colony (182314)

Our year started out with five UCXC members heading to New Orleans for the NEC Convention. We were thrilled to support our district Youth of the Year Award winner, EmRee Moody, as she accepted her national award. We also had the opportunity to vote on the slate of officers, including our very own Carolyn Geisert, who was elected and installed as Regional Vice President for Region 4. Congratulations Carolyn!

September has been busy with several events. Members Carolyn, Chris, and Tom Geisert ran in the Super Hero Run on Saturday, September 13. It benefited A Kid's Place, our local child

with registration and we also post the colors as the veterans walk past as they leave the hotel on their way to the buses. It is very moving to see the expressions of excitement and gratitude on the faces of the veterans.

Later that day, several members went to Buckley Air Force Base in Aurora, Colorado, to support the Exchange Club of Greeley in their dedication of a Freedom Shrine.

The National Exchange Club is proud to announce that S. Kim Hodges, Provo, UT, was inducted into the organization's Court of Honor on Sat., Oct. 18, 2014. Hodges, a member of the Exchange Club of Utah Valley, UT, since 1982, was inducted alongside four others in honor of his outstanding contributions to the 103-year old service organization.

Induction into the Court of Honor, located at The National Exchange Club Headquarters in Toledo, OH, bestows the highest and most lasting recognition an Exchangite can receive. Honorees, and guests, are invited to an annual induction ceremony where their permanently inscribed names are unveiled on one of the seven granite monuments in the Court of Honor courtyard. There are more than 90 names inscribed on the Court of Honor pylons, including Charles Berkey, the founder of Exchange; Dr. Edward R. North, Jr., founder of The National Exchange Club Foundation for the Prevention of Child Abuse; Thomas L. Bailey, author of the Covenant of Service; and Herold M. Harter, who served as Exchange's National Secretary for 44 years.

Hodges has served as National President of The National Exchange Club (2006-2007), National Board Member (1998-2002, 2005-2008), National Exchange Club Foundation Trustee, and has held many other offices at club and district levels. Hodges was awarded Distinguished Regional Vice President (1998-2001) and Distinguished District President (1996-1997). Hodges is also responsible for sponsoring 27 new Exchangites and has helped build one new Exchange Club.

Exchange is America's oldest service club with more than 650 clubs and nearly 20,000 members throughout the United States and Puerto Rico. The organization's Mission, working to make America's communities better places to live, is carried out through its Programs of Service – Americanism, Youth Programs and Community Service – as well as the National Project, the prevention of child abuse. Founded in 1911 in Detroit, MI, and headquartered in Toledo, OH, Exchange celebrated its 103rd anniversary in March 2014. www.nationalexchangeclub.org

District Goals

For the year I would like our District to achieve the following:

- Four new clubs: 1 traditional, 1 collegiate and 2 Excel clubs.
- Growth of 100 new members.
- All clubs earning the National Service Award.
- 50% of the clubs earning the Big E.
- I would like to see every club having at least one project that defines them in their community.
- I would like to see every club install or rededicate a Freedom Shrine or install a Freedom Gallery every year.

What goals would you like to see happen this year?
 I cherish your comments. Please let me know how I can serve best.

We will recognize the following achievements every month:

- When someone joins Exchange and their sponsor.
- When a special event happens.
- When a new club is organized (this is a BIG DEAL!).

Also, I would like to spotlight someone each month. Club Presidents, please submit your spotlights and I will get them in the newsletter.
